

## Put Congress on the Hot Seat!

Call 202-224-3121 and tell your Representative to champion strong solutions to global warming that include:

- Deep cuts in carbon emissions
- Better fuel economy standards
- Renewable energy investments
- No coal or nuclear energy

**STOP GLOBAL WARMING**

PROJECT HOT SEAT

A project of Greenpeace and True Majority

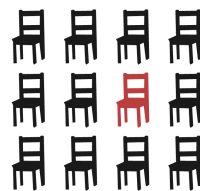

[www.projecthotseat.org](http://www.projecthotseat.org)
