Dear Friends:

It is a pleasure to have this opportunity to greet you as you gather for "Step It Up 2: Who's a Leader?" I regret that I will not be able to join you for this important event.

I commend Step It Up 2007 for its persistent work towards improving the environment through effective movements such as One Sky. Specifically, I commend Sky's long-term goal to reduce carbon emissions by 80 percent by 2050. As a member of Congress, I am honored to celebrate your organization's successes and commitment to ensuring a promising future. Please know that your efforts are making a difference in the community.

I extend my best wishes to Step It Up. I hope you have an enjoyable day and many continued successes in the year ahead.

Sincerely,

SUSAN A. DAVIS
